INSTRUCTIONS FOR LICENSING A DOG:

- **Do not apply if you reside in the city limits of Auburn, Roseville, or Rocklin.** For information on licensing a dog in these cities, contact your city hall.
- **Seniors (65 years or older) are not required to pay license fees.** To prove senior status, you must provide verification of age (Driver's License or State I.D.) and supply a current rabies certificate.
- Enclose a photocopy of a current rabies certificate or the completion of the vaccine information section on the license application by a veterinarian is required.
- A late fee is charged for dogs that have been in Placer County more than thirty (30) days and are more than five (5) months of age. The late charge is \$6.00 for altered (spayed/neutered) dogs and \$12.00 for unaltered dogs. This fee is also due for late license renewals.
- Verification that an animal has been spayed or neutered must be provided to receive the lower cost for an **altered** license fee.
- A multi-year license can be purchased up to the expiration date on the rabies certificate. **We cannot issue a license past the date a rabies certificate expires.** Example: If rabies is good for a year or a year and a half, you cannot purchase a two or three year license.)
